Attention-- Kim Bird

Realign Properties

P O Box 2023

Everton

3625

11 November 2019

I am writing on behalf of Health Systems Trust (HST) to thank Realign Properties for all their help and assistance in arranging and securing our new offices in Westville KZN.

Our property requirements moving towards the end of our Lease were quite specific and after our initial meeting with Kim Bird, we felt she took diligent notes regarding our specific requirements and was well briefed on our budgetary limitations.

As we are a staff of over 150 people, this was a complicated move and involved many meetings with the spatial planners/contractors and required ongoing assistance in getting the correct fit for all our employees. During the entire process, Realign Properties were very efficient, thorough and we appreciated all the knowledgeable input from Kim and Morgan Bird.

It is our immense pleasure to recommend Realign Properties as a real estate agency for any Company that is looking for a highly professional service and attention to detail.

*We wish Realign Properties all the very best and we look forward to working with you again in the future.*

*Kind regards*

**Delene King – Administration Manager**
